

# Micah P. Hinson, I Keep Havin' These Dreams

I keep havin' these Dreams  
That you were all I needed  
I keep havin' these Dreams  
That you were all I needed

You could say  
that I needed another day  
but I don't think I need  
anything but you

I keep havin' these Dreams  
That you were all I needed  
I keep havin' these Dreams  
That you were all I needed

You could say  
that I needed another day  
but I don't think I need  
anything but you
