

Micah P. Hinson, I Keep Havin' These Dreams

I keep havin' these Dreams
That you were all I needed
I keep havin' these Dreams
That you were all I needed

You could say
that I needed another day
but I don't think I need
anything but you

I keep havin' these Dreams
That you were all I needed
I keep havin' these Dreams
That you were all I needed

You could say
that I needed another day
but I don't think I need
anything but you
