

Micah P. Hinson, Or Just Rearrange

You don't know where to go
Or go where you know
You're running away

But you'll always give advice

Some things will change
Or just rearrange
And I know, I know

You don't where to go
Or go where you know
You're running away

But you'll always give advice
But never pay the price
For running away

Some things will change
Or just rearrange
And I know, I know
