

Micah P. Hinson, The Dreams You Left Behind (F

Someday you'll find
The dreams you left behind
Are not as bright as they seem

Someday you'll see
That loves before me
Lasting as long as the sun

Someday you'll find
Dreams never die
Lasting as long as the sun
Shining down on me

Someday you'll find
The dreams they never die
Lasting as long as the sun
Shining down on me
