

Michael Ball, Who Needs To Know

(Ronnie Bond) Soundtrack Music Publishing/
BMG Music Publishing LTd.

Don't have to tell nobody

What I found out today

I don't have to tell a soul

It'll only get in the way...

No need to show my pride

Oh I can keep it all inside

Where it belongs

But who got it strong

And it can't be denied

Chorus:

Who needs to know except us

Who needs to make a fuss

(Who needs to know)

Yeah, who needs to know

(Who needs to know)

I said, who needs to know about us

Who'd guess I care

Ooh when I see you standing there

Baby, what's in a smile

Every once in a while

Honey, what's in a stare

Chorus

And if all my power were taken away

I've still got you babe

Still got today

But deep in my soul

I don't feel afraid

Between you and me babe

We got it made...

Chorus
