## Michael Bolton, All The Way

When somebody loves you It's no good unless they love you - all the way Happy to be near you When you need someone to cheer you - all the way

Taller than the tallest tree is That's how it's got to feel Deeper than the deep blue sea is That's how deep it goes - if it's real

When somebody needs you It's no good unless they need you - all the way Through the good or lean years And for all the in between years - come what may

Who knows where the road will lead us Only a fool would see But if you'll let me love you For sure I'm gonna love you - all the way, all the way

When somebody loves you
It's no good unless they love you - all the way
Happy to be near you
When you need someone to cheer you - come what may
Who knows where the road will lead us
Only a fool would see
If you'll let me love you
For sure I'm gonna love you - all the way
All the way
