

Michael Bolton, Beautiful World ft. Justin Jesso

You carry the weight
Much better than I do
Day after day
Waitin' for good news
All of our needs
Our hopes and our dreams
Are waitin' on an open door
I see a spark of light in the dark
We'll be stronger than before

We gotta love like we've never been hurt
We gotta rise like we've never been burned
And after all of the lessons we've learned
We're gonna make this a beautiful world

A beautiful world, Oh oh Oh oh
Gonna make this a beautiful world
Oh oh Oh oh
A beautiful world

I'll carry the weight
No mountain is too high
It's never too late
There's always a sunrise
All of our needs
Our hope and our dreams
Are waiting on an open door
I see a spark of light in the dark
We'll be wiser than before

We gotta love like we've never been hurt
We gotta rise like we've never been burned
And after all of the lessons we've learned
We're gonna make this a beautiful world

A beautiful world, Oh oh Oh oh
Gonna make this a beautiful world
Oh oh Oh oh
A beautiful world

When we come together
Everything's gonna be much better
When we come together

We gotta love like we've never been hurt
Rise like we've never been burned
And after all of the lessons we've learned
We're gonna make it

Gonna make this a beautiful world
Oh oh Oh oh
Gonna make this a beautiful world
Oh oh Oh oh
Make this a beautiful world

When we come together
We're gonna make this a beautiful world
When we come together
We're gonna make this a beautiful world
When we come together
We're gonna make this a beautiful world
