

Michael Bolton, Don't Make Me Wait On Love

(duet with kenny g)

Sittin' here, just starin' at your picture
Waiting for your call
So unclear, I'm hanging on a notion
We could have it all
Time and time again, you tell me to be patient
But we can't let love slip away

Chorus:

Oh baby, don't make me wait for love this time
Oh darlin', a love like this is hard to find
Don't make me wait for love

I close the blinds and try to hide the darkness
Fall asleep alone
Give me a sign, a man's not suppose to face life
Standing on his own
When you're near me, I can't help but see forever

Come and rescue me tonight

Chorus:

Oh baby, don't make me wait for love this time
Oh darlin', a love like this is hard to find
Don't you see I need ya, gotta have ya
Oh baby, don't make me wait for love this time
Oh oh darlin', a love like this is hard to find
Don't make me wait for love

Oh baby, don't make me wait
Don't make me wait for love this time
No no I need you right now, I need you right now
Oh darlin', a love like this, a love like this
Is so very hard to find, don't make me wait
Don't make me wait for love
