

Michael Bolton, How Am I Supposed Too Live Wi

I could hardly believe it
when I heard the news today
I had to come and get straight to you
Said you're leaving
Someone swept your heart away
From the look upon your face I say it's true
So tell me all about it
tell me about the plans you're making
Tell me one thing more before I go

Chorus:
Tell me how am I supposed to live without you
Now that I've been loving you so long
How am I supposed to live without you
and how am I supposed to carry on
When all that I've been living for is gone

Took off the crying
Didn't come here to break down
It's just a dream of mine is coming to an end
And how can I blame you
When I've built my world around
With hope that one day we'll be so much more than friends
I don't wanna know the price I'm gonna pay for dreaming
Even now it's more than I can take

Chorus...

Now I don't wanna know the price I'm gonna pay for dreaming
Now that your dreams has come true

Chorus...
