

Michael Bolton, I Promise You

I will promise you, yes I promise to
Love you for all your life
Love you every day and night
I will always be there for you
I'll be in your arms, you'll be in my heart

CHORUS:

I'll love you forever, I promise you
We'll be together, our whole life through
There's nothin' that I, I wouldn't do
With all of my heart, I promise you

I will take your hand, and I'll understand
Share all your hopes and dreams
Show you what love can mean
Whenever life just gets too much for you
I'll be on your side, to dry the tears you cry

CHORUS:

Oh I will always be in your arms
And you will always be the flame
within my heart

CHORUS:

I'll love you forever, I promise you
We'll be together, our whole life through
There's nothin' that I would rather do
With all of my heart, I promise you
There's nothin' in this world I wouldn't do
I promise you
