

# Michael Bolton, Time, Love & Tenderness

Time, love & tenderness  
So you say that you can go on  
Love left you cryin'  
And you say all your hope is gone  
And what's the use in tryin'  
What you need is to have some faith  
Shake off those sad blues  
Get yourself a new view, oh

Nothing is as sad as it seems, you know  
'Cause someday you'll laugh at the heartache  
Someday you'll laugh at the pain  
Somehow you'll get through the heartbreak  
Somehow you can get through the rain

CHORUS:

When love puts you through the fire  
When love puts you to the test  
Nothing cures a broken heart  
Like time, love & tenderness  
When you think your world is over  
Baby just remember this  
Nothing heals a broken heart  
Like time, love & tenderness  
Time, love & tenderness, ooh

I understand how you're feeling now  
And what you've been through  
But your world's gonna turn around  
So baby don't you be blue  
All it takes is a little time  
To make it better  
The hurt ain't gonna last forever, oh

All the tears you are gonna dry you know  
'Cause someday you'll laugh at the heartache  
Someday you'll laugh at the pain  
You may be down on your luck  
But baby that old luck's gonna change

CHORUS:

The hurt ain't gonna last forever ooh ooh  
Time, love & tenderness  
Time, love & tenderness

CHORUS:

CHORUS(repeat)

Baby, oh baby all you need is time, love & tenderness ooh  
Time, love & tenderness (repeat)
