Michael Bublé (Michael Buble), Always On My Mi

Maybe I didn't treat you Quite as good as I should have Maybe I didn't love you Quite as often as I could have Little things I should have said and done I just never took the time You are always on my mind You are always on my mind

Maybe I didn't hold you All those lonely, lonely times And I guess I never told you I'm so happy that you're mine If I made you feel second place Girl, I'm sorry I was blind You are always on my mind You are always on my mind

Tell me, tell me that your sweet love hasn't died Give me, give me more chance to keep you satisfied...satisfied

Little things I should have said and done I just never took the time You are always on my mind You are always on my mind
