Michael Bublé (Michael Buble), Till Then

Till then, my darling please wait for me Till then, no matter when it will be Someday I know I'll be back again Please wait till then

Our dreams will live though we are apart Our love will always I know we'll keep in our heart Till then, till all the world will be free Please wait for me

Although there are oceans we must cross And mountains that we must climb I know every gain must have a loss Let's pray that our loss is nothing but time

Till then, we'll dream of what there may be Till then, we'll call on each memory Till then, till I can hold you again Please wait till then
