

Michael Crawford, You'll Be In My Heart

From Tarzan

Come stop your cryin'
and we'll be alright
Just take my hand, hold it tight.
I will protect from all around you,
I will be here dont you cry.
For one so small, you seem so strong.
My arms will hold you keep you safe and warm,
This bond between us cant be broken,
I will be here dont you cry

CHORUS:

'Cos you'll be in my heart,
yes you'll be in my heart,
From this day on now and forever more.

You'll be in my heart,
No matter what they say,
You'll be here in my heart,
Always.

Why can't they understand the way we feel,
They just don't trust what they cant explain.
How know your different
Deep inside us, where not that different at all.

CHORUS:

And you'll be in my heart,
yes you'll be in my heart,
From this day on now and forever more.

Don't listen to them, 'cos what do they know.(what do they know)
We need each other, to have to hold.
They'll see in time, I know.

When destiny calls you, you must be strong
(you godda be strong)
I may not be with you, but you got to hold on.
They'll see in time, I know.

That your there together 'cos

You'll be in my heart,
Believe me,
You'll be in my heart.
I'll be there from this day on,
now and forever more.
Ooh you'll be in my heart
(you'll be here in my heart)
No matter what they say
(I'll be with you)
You'll be here in my heart
(I'll be there)
Always

Always
I'll be with you,
I'll be there for you always
Always and always.
Just look over your shoulder x3
I'll be there always.
