

# Michael Duff, Unbreakable

[Verse 1]

Like a shadow through the dark,  
in the loneliness of all i see  
I'm walking around with half a heart,  
since i lost a bit a part of me  
I can't let go of the past,  
and every breath just pulls me back,  
to where we started..

(Chorus)

I..wish..I could be with you,  
and i..miss..so much about you  
And i..wish my heart..was unbreakable (unbreakable)  
Oh i..wish my heart..was unbreakable

[Verse 2]

Trying to find out who i am  
in the memory of you and me  
Trying to see things as they are, not the way i wish that they could be.  
But for now i'll just pretend,  
to hold you in my arms again.  
For one last moment..

(Chorus)

I..wish..I could be with you,  
and i..miss..so much about you  
And i..wish my heart..was unbreakable (unbreakable)  
Oh i..wish my heart..was unbreakable

[Verse 3]

If you were here tonight,  
i'd never let you go  
And i would find..a way to say..the things i never said  
And you would finally know..

(Chorus)

I..wish..I could be with you,  
and i..miss..everything about you  
And i..wish my heart..was unbreakable (unbreakable)  
Oh i..wish my heart..was unbreakable

(unbreakable, unbreakable, unbreakable)

[Verse 4]

'cause love means nothing with you,  
and my..world..still turns around you  
And i..wish my heart..was unbreakable (unbreakable)  
Oh i..wish my heart..was unbreakable (unbreakable)..
