

# Michael George, A Last Request (I Want Your Sex)

Time for bed  
So i sit, and wait  
For that gin and tonic  
To go to your head

I know  
It's a devious plan  
But it's the only way that i know  
To get those big bad car keys  
Out of your hand

You know  
That i remain a gentle man  
But even so  
There's only so much  
A gentleman can stand  
Sleep with me  
Oh sleep with me tonight

My cards are on your table  
My dreams are in your bed  
If i was able  
I'd be there instead

Sleep with me tonight
