

Michael George, Calling You

A desert road from Vegas to nowhere
Someplace better than where you've been
A coffe machine that needs some fixin'
In a little cafe just around the bend

Chorus:
I am calling you
Can't you hear me?
I am calling you

ooch...

I am calling you
Can't you hear me?
I am calling you

A desert road from Vegas to nowhere
Someplace better than where you've been
A coffe machine that needs some fixin'
In a little cafe just around the bend

A hot dry wind blows right through me
The baby's crying so I can't sleep
But we both know the change is coming
Come in closer, sweet release

Chorus:
I am calling you
Can't you hear me?
I am calling you

ooch no no...

Desert road from Vegas to nowhere.
