

Michael George, You've Changed

You've Changed
That sparkle in your eyes has gone
Your smile is just a careless yawn
You're breaking my heart, you've changed

You've changed
Your kisses are now so blase
You're bored with me in every way
I can't understand you've changed

You've forgotten the word I love you
Each memory that we've shared
You ignore every star above you
I can't realise you ever cared

You've changed
You're not the anges I once knew
No need to tell me that we're through
It's all over now, you've changed

You've forgotten the word I love you
Each memory that we've shared
You ignore every star above you
I can't realise you ever cared

You've changed
You're not the anges I once knew
No need to tell me that we're through
It's all over now, you've changed
I miss you
