

# Michael Gray, The Weekend

I can't wait for the weekend to begin  
(I... I... I... I... I...)

I'm workin', all week long  
(I... I... I... I... I...)  
I dream the days away  
I wanna sing my song  
(I... I... I... I... I...)  
So let the music play

I have to get my kicks  
And fly tonight  
And when the clock strikes six  
(I... I... I... I... I...)  
On Friday night  
I need to blow it all away  
(I... I... I... I... I...)  
(Blow, blow, blow, blow, blow)

I can't wait for the weekend to begin  
(I... I... I... I... I...)  
I can't wait for the weekend to begin

I make it what I can  
(I... I... I... I... I...)  
I try, I try  
I'm shakin' up my plan  
(I... I... I... I... I...)  
And I get by

I'm saving all my soul  
And all my pain  
So I can lose control  
On Saturday  
I'm gonna blow it all away  
(Blow, blow, blow, blow, blow)

I can't wait for the weekend to begin  
(I... I... I... I... I...)  
I can't wait for the weekend to begin

(I... I... I... I... I...)

I can't wait for the weekend to begin  
For the weekend to begin  
...begin, begin, begin, begin, begin, begin  
(Begin begin begin begin begin begin begin)

I can't wait for the weekend to begin

I got to get my fix,  
And fly tonight  
And when the clock strikes six  
On Friday night  
I'm gonna blow it all away  
(Blow, blow, blow, blow, blow)

I can't wait for the weekend to begin  
(I... I... I... I... I...)  
I can't  
I can't wait for the weekend to begin  
(I... I... I... I... I...)  
I can't  
I can't wait for the weekend to begin
