

Michael Jackson, Blood on the dancefloor

She got your number
She knows your game
Look what you're under
It's so insane
Since you seduced her
How does it feel
To know that woman
Is about to kill

Every night stance is like taking a chance
It's not about love and romance
And now you're gonna get it
Every hot man is out taking a chance
It's not about love and romance
And now you do regret it

To escape the world
I got to enjoy that simple dance
And it seemed that everything was on my side
(Ooh on my side)
She seemed sincere
Like it was love and true romance
And now she's got out to get me
But I just can't take it
Just can't break it

Chorus:
Susie got your number
And Susie ain't your friend
Look who took you under
With seven inches in
Blood is on the dancefloor
Blood is on the knife
Susie got your number
And Susie says it's right

She got your number
How does it feel
To know the stranger
Is out to kill
She got your baby
It happened fast
Even you could only
Erase the past

Every night stance is like takin' a chances
It's not about love and romance
And now you're gonna get it

Every hot man is out takin' a chance
It's not about love and romance
And now you do regret it

To escape the world I got to enjoy this simple dance
And it seemed that everything was on my side
(Blood on my side)

It seemed sincere like it was love and true romance
And now she's out to get me
And I just can't take it
Just can't break it

Susie got your number
And Susie ain't your friend

Look who took you under
With seven inches in
Blood is on the dance floor
Blood is on the knife
Susie got your number
(You know)
You know Susie says its right

Susie's got your number
Susie ain't your friend
(Is going down baby)
Look who took you under
She put seven inches in
Blood is on the dance floor
Blood is on the knife
(It's going down baby)
Susie's got your number
(You know)
Susie says its right

It was blood on the dance floor
(blood on the dance floor)
It was blood on the dance floor
(blood on the dance floor)
It was blood on the dance floor
(blood on the dance floor)
It was blood on the dance floor
(blood on the dance floor)

And I just can't take it
The girl won't break it
Ooo...
