

Michael Jackson, Can You Feel It

Can you feel it,
Can you feel it,
Can you feel it
If you look around
The whole world is coming together now, baby
Can you feel it,
Can you feel it,
Can you feel it
Feel it in the air,
The wind is taking it everywhere, yeah
Can you feel it,
Can you feel it,
Can you feel it
All the colors of the world should be
Loving each other wholeheartedly
Yes, it's all right
Take my message to your brother
And tell him twice
Spread the word and try to teach the man
Who's hating his brother,
When hate won't do, ooh
Cause we're all the same, yes
The blood inside of me is inside of you
Now, tell me
Can you feel it,
Tell me Can you feel it,
Can you feel it, oh
When you see it's going down
Can you see it in your bones?
Can't you feel it, yeah
Yeah, yeah, oh
Every breath you take
Is someone's death in another place
(Another place)
Every healthy smile
Is hunger and strife to another child
(Another child)
But the stars do shine
In promising salvation, is near this time
(Near this time)
Can you feel it now
So brothers and sisters show me know how
Now, tell me
Can you feel it,
Tell me can you feel it,
Can you feel it hey hey
Talk to your self now
This feeling is going down
Open up your mind
Can you feel it,
Can you feel it
All the children in the world should be
Loving each other wholeheartedly
Yes, it's all right
Take my message to your brother
And tell him twice
Take the news to the marching men
Who are killing their brothers
When death won't do, ooh
Yes we're all the same
Yes, the blood inside of my vein is inside of you
Now, tell me
Can you feel it,
Can you feel it,

Can you feel it
Can you
Can you
(Can you feel it)
(Can you feel it)
(Can you feel it)
