

Michael Jackson, Chicago

i met her on my way to chicago
where she said she was alone
and so was i so i asked her for her name
she smiled and looked at me
i was surprised to see
that a woman like that was really in to me
she said she didnt have no man
raised the kids very best she can (she was lovin me)
she told me she was all alone
said dont she didnt have no one (she was wanting me)
she said just give her a break
filthy lie was the go she played
she lied to you lied to me (she was lovin me)
cause she was lovin me lovin me

i never would have that she was living like that
her words seem so sincere
when i or the nair she would tell me how she feels
it felt so real to me
this girl she had to be
an angel sent from heaven just for me
she said she didnt have no man
raised the kids the very best she can (she was lovin me)
she told me she was all alone
said dont she didnt have no one (she was lovin me)
she said just give her a break
filthy lie was the go she played
she lied to you lied to me
cause she was lovin me lovin me
yeah (she was lovin me)
she tried to give a terrible lie (she was lovin me)
lovin me while she was still your wife (she was wantin me)
she thought that lovin me was right
while you at work ad the kids at home (she was lovin me)
she said she didnt have no man
try to get me any way she can (she was wantin me)
she lied to you lie to me
cause she got a family family yeah
why? no, alright
oohhh oohh oohh
i feel

i didnt know she was already spoken for
cause im not that kind of man
i swear that i would have never looked her way
now i feel so much shame
and now things have to change
you should know that im holding her to blame
she said she didnt have no man (holdin her the blame)
raised the kids the very best she can (holdin her the blame)
she told me she was all alone
said dont she didnt have no one (holdin her the blame)
she said just give her a break
filthy lie was the go she played (holdin her the blame)
she lied to you lied to me
cause she was lovin me lovin me
yeah (holdin her the blame)
she tried to give a terrible lie
lovin me while she was still your wife (holdin her the blame)
she thought that lovin me was right
while you at work and the kids at night (holdin her the blame)
she said she didnt have no man
try to get me any way she can (holdin her the blame)
she lied to you lie to me

cause she got a family family yeah (secret time for me)
she said she didnt have no man (she was lovin me)
raised the kids the very best she can
she told me she was all alone
said dont she didnt have no one (she was lovin me)
she said just give her a break
filthy lie was the go she played
she lied to you lied to me
cause she was lovin me lovin me
yeah (she was lovin me)
she tried to give a terrible lie
lovin me while she was still your wife (she was wantin me)
she thought that lovin me was right (she was lovin me)
while you at work ad the kids at night (she was lovin me)
she said she didnt have no man
try to get me any way she can (she was wantin me)
she lied to you lie to me
cause she got a family family yeah
