Michael Jackson, Ghosts

There's a ghost down in the hall There's a ghoul under the bed There's something in the walls There's blood up on the stairs And it's floating through the room And there's nothing I can see And I know that that's the truth Because now it's onto me

I don't understand it! Hey! I don't understand it! Aaow!

There's a trapping in the floor There's a creak behind the door There's a rocking in the chair But there's no-one sitting there There's ghostly smell around But nobody to be found And a coughing and a yawnin' Where a restless soul is going

Don't understand it! Hey! Don't understand it! Hey!

And who gave you the right to shake my family? And who gave you the right to shake my baby? She needs me And who gave you the right to shake my family tree?

You put a knife in my back Shot an arrow in me Tell me are you the ghost of jealousy The ghost of jealousy

There's a trappin' in the floor There's a creak behind the door There's a rocking in the chair But nobody's sitting there There's a ghostly smell around But nobody to be found And a coughing' and a yawin' Where a restless soul is going

Don't understand it! Yeah yeah! Don't understand it! Your just a dog gone! Aaow!

And who gave you the right to scare my family?
And who gave you the right to scare my baby?
She needs me
And who gave you the right to shake my family tree?
And who gave you the right to take intrusion
To see me?
And who gave you the right to shake my family?
And who gave you the right to shake my baby?
She needs me
And who gave you the right to shake my family tree?

You put a knife in my back Shot an arrow in me Tell me are you the ghost of jealousy A suckin' ghost of jealousy Aaow! And who gave you the right to shake my family?
And who gave you the right to shake my baby?
She needs me
And who gave you the right to shake my family tree?
And who gave you the right take intrusions
To see me?
And who gave you the right to hurt my family?
And who gave you the right to hurt my baby?
She needs me
And who gave you the right to shake my family tree?

You put a knife in my back Shot an arrow in me Tell me are you the ghost of jealousy The ghost of jealousy

Aaow!
Dog gone!
But there's no doubt about it, piece of mind
Tell me, are you the ghost of jealousy
