

# Michael Jackson, In Our Small Way

Refrain

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today...  
In our small way

Empty words are not enough  
Where there's hurt we'll be a crush  
When there's thirst we'll fill each other's cup  
Because we care we love enough to share

Refrain

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today...  
In our small way

In despair we'll be the hope  
And the prayer that frees the soul  
We'll be there to share each lonely road  
Because we love, I know  
We care enough

Refrain

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today...  
In our small way

Just a little time is all it takes  
What a difference just a smile can make, you'll see  
Love is all we need

Refrain

Maybe you and I can't do great things  
We may not change the world in one day  
But we still can change some things today...  
In our small way
