Michael Jackson, One Day In Your Life

One day in your life You'll remember a place Someone touching your face You'll come back and you'll look around, you'll . . .

One day in your life You'll remember the love you found here You'll remember me somehow Though you don't need me now I will stay in your heart And when things fall apart You'll remember one day . . .

One day in your life When you find that you're always waiting For a love we used to share Just call my name, and I'll be there

You'll remember me somehow Though you don't need me now I will stay in your heart And when things fall apart You'll remember one day . . .

One day in your life When you find that you're always lonely For a love we used to share Just call my name, and I'll be there
