This time around I'll never get bit  
Though you really wanna fix me  
This time around you're making me sick  
Though you really wanna get me  
Somebody's out  
Somebody's out to get me  
They really wanna fix me, hit me  
But this time around I'm taking no shit  
Though you really wanna get me  
You really wanna get me

(He really thought he really had)  
Had a hold on me  
(He really thought he really had)  
They thought they really had control of me  
(He really thought he really had)  
Control of me  
(He really thought he really had)  
They thought they really could control me

This time around I'll never get bit  
Though you really wanna get me  
This time around I'm taking no shit  
Though you really wanna fix me  
Somebody's out  
Somebody's out to use me  
They really want to use me  
And they falsely accuse me  
This time around  
They'll take it like spit  
'Cause you really can't control me  
You know can't control me.

(He really thought he really had)  
Had a hold on me  
(He really thought he really had)  
They thought they really had control of me  
(He really thought he really had)  
A hold on me  
(He really thought he really had)  
They thought they really had control of me  
(He really thought he really had)  
Had a hold on me  
(He really thought he really had)  
They thought they really had control of me  
(He really thought he really had)

A hold on me  
(He really thought he really had)  
They thought they really had control of me
