

# Michael Learns To Rock, Ghost Of You

After sometimes I've finally made up my mind  
She is the girl and I really want to make her mine  
I'm searching everywhere to find her again  
To tell her I love her  
And I'm sorry 'bout the things I've done  
I find her standing in front of the church  
The only place in town where I didn't search  
She looks so happy in her weddingdress  
But she's crying while she's saying this

\* CHORUS : Boy I missed your kisses all the time but  
This is twentyfive minutes too late  
Though travelled so far  
Boy I'm sorry you are  
Twentyfive minutes too late

Against the wind I'm going home again  
Wishing me back to time when we were more than friends  
But I still see her in front of the church  
The only place in town where I didn't search  
She looked so happy in her weddingdress  
But she's cried while she was saying this

\* REPEAT CHORUS

Out in the streets  
Places where hungry hearts have nothing to eat  
Inside my head still I can hear the words she said

\* REPEAT CHORUS (X2)  
I can still hear her say
