

# Michael McDonald, Minute By Minute

Hey, dont worry, Ive been lied to  
Ive been here many times before  
Girl, dont you worry, I know where I stand  
I dont need this love, I dont need your hand  
I know I could turn, blink, and youd be gone  
Then I must be prepared any time to carry on

But minute by minute by minute by minute  
I keep holding on  
Oh, minute by minute by minute by minute  
I keep holding on

You will stay just to watch me, darlin  
Wilt away on lies from you  
Cant stop the habit of livin on the run  
I take it all for granted like youre the only one  
Livin on my own  
Somehow that sounds nice  
You think Im your fool  
Well, you may just be right

cause minute by minute by minute by minute  
I keep holding on  
Oh, minute by minute by minute by minute  
I keep holding on

Call my name and Ill be gone  
Youll reach out and I wont be there  
Just my luck youll realize  
You should spend your life with someone  
You could spend your life with someone

Minute by minute by minute by minute  
Ill be holding on  
Oh, minute by minute by minute by minute  
Ill be holding on..
