

Michael Nesmith, Beyond The Blue Horizon

Beyond the blue horizon
Waits a beautiful day
Goodbye to things that bore me
Joy is waiting for me

I see a new horizon
My life has only begun
Beyond the blue horizon
Lies a rising sun

Beyond the blue horizon
Waits a beautiful day
Goodbye to things that bore me
Joy is waiting for me

I see a new horizon
My life has only begun
Beyond the blue horizon
Lies a rising sun

Beyond the blue horizon
Lies a rising sun
