

# Michael Nesmith, I Looked Away

She took my hand  
Tried to make me understand  
That she would always be there  
I looked away  
Then she ran away from me today  
I'm such a lone, lonely man

Came as a surprise to me  
She left me here in misery  
Seemed like only yesterday  
She made a vow  
She'd never go away

She took my hand  
Tried to make me understand  
That she would always be there  
I looked away  
Then she ran away from me today  
I'm such a lone, lonely man

Seemed to me like such a sin  
For me to love another man's woman  
But I guess I'll keep on sinnin'  
Lovin' you 'til my very last day

I looked away  
Then she ran away from me today  
I'm such a lone, lonely man
