

Michael Peterson, From Here To Eternity

I did everything I could
To get you here tonight
Without telling you why
Now girl if you only would
Just hold out you're hand
And just close you're eyes
I've been dying to ask you
One burning question
Will you be mine

From here to eternity
I'm asking you to
Share you're life with me
Now and forever
I guarantee
That I'll always stay by you're side
I promise my love to you
I'm willing and able
And ready too
Whatever you need
I am here for you
And I'll always be
From here to eternity

Well I saved a year for this ring
And I can't wait to see
How it looks on you're hand
Well I'll give you everything
That one woman needs
From a one woman man
I'll be strong
I'll be tender
A man of my word
And I will be yours

From here to eternity
I'm asking you to
Share you're life with me
Now and forever
I guarantee
That I'll always stay by you're side
I promise my love to you
I'm willing and able
And ready too
Whatever you need
I am here for you
And I'll always be
From here to eternity
