

# Michael Ruff, Wishing Well

What are you laughing about,  
wanna share it with the whole class, baby?  
Ha ha ha

I throw my penny down into the wishing well,  
I keep on hoping 'till you come to me  
What am I gonna do, baby?

(Ow, pick it up a little bit)

I throw my penny down into the wishing well,  
I keep on hoping 'till you come to me, yes I will  
What do I have to do, to make it happen, baby?  
I throw my penny in the wishing well

I've been sleeping baby  
Trying to hold back the hands of time  
I've been sleeping baby  
Trying to hold back the hands of time  
Maybe one day I might wake up  
Wake up and you'd be mine

I've been dreaming baby  
Dreaming of the day we make love (ow heh-heh-heh)  
I've been dreaming baby, yah  
Dreaming of the day we make love (sweet love baby)  
Call it my obsession, if you wanna  
All that I've been thinking of

What am I gonna do?  
I throw my penny in the wishing well  
I keep on hoping 'till you come to me, yes I will  
What do I have to do, to make it happen, baby?  
I throw my penny in the wishing well (hey)

I been out walking baby  
Waiting for someone to show me a sign  
I been out walking baby  
Won't somebody show me a sign?  
'Cus without your love beside me  
Love is just a waste of time

What am I gonna do?  
I throw my penny in the wishing well  
I keep on hoping 'till you come to me, yes I will  
What do I have to do, to make it happen, baby?  
I throw my penny in the wishing well (oh oh)

I throw my penny in the wishing well  
I keep on hoping 'till you come to me, yes I will  
What do I have to do, to make it happen, baby?  
I throw my penny in the wishing well (hey hey)

To the wishing well

I keep on hoping 'till you come to me, yes I will  
What do I have to do, to make it happen, baby?  
I throw my penny in the wishing well

I throw it down  
I throw my penny into the wishing well  
I keep on hoping 'till you come to me, yes I will  
What do I have to do, to make it happen, baby?  
I throw my penny down, into the wishing well

I keep on hoping 'till you come to me, to me, to me, to me, to me,  
baby, I want you so bad, I can taste it baby  
Yeah
