

Michael Schenker Group, Attack Of The Mad Axeman

Sneaking round the back streets
Don't stay out to late
cause he's got something he want's to give to you
He calls in his dreams, with his phantom screams
Hide from the shadows in the night
Only day will save you,
Gotta watch the attack of the mad axeman
He can take you anytime he pleases
He wants to make you bleed,
Around town his laughter sounds
Deep into the night, that flash of knife in the
Flickering lights for you
He knows when he's down
But he's got to have more
Cause he thrives on excess celebration!
Time after time, in the wings, you can see him
He's only looking for fun, in his dreams; Ah...
Watch the attack of the mad axeman!
