

# Michael Tolcher, Bad Habits

i get all my bad habits watchin you  
its true  
well i wish that things were so different  
change it myself  
its what i'll do

but i can't figure it out, yet  
just how to make it perfect for you  
but i'm closer than i was  
yesterday

yeah i'm closer than i was yesterday

they say that life is for learning  
well teach me to live  
while i'm here  
messages twisted and turning  
what should i give  
make it clear

cus i can't figure it out, yeah  
i cant figure it out, yet  
just how to make it perfect for you  
but i'm closer than i was  
yesterday

yeah i'm closer than i was yesterday

don't you know there's no difference  
i'm not the same  
i'm only here  
to be with you  
and now i'm closing the distance  
dropping the claim  
trading the past for something new  
something new

why would you work with out living  
spending your soul  
whats it worth?  
well i hope you make it to heaven  
waiting for life  
here on earth

cus i can't figure it out, yet  
i cant figure it out, yet  
no i cant figure it out yet  
just how to make it perfect for you  
but i'm closer than i was  
closer than i was  
yeah i'm closer than i was  
yesterday  
yeah i'm closer than i was  
yesterday
