

# Michael W. Smith, Be Strong And Courageous

My servant, now your time has come  
You have a job to do  
I have a people to be led  
And a willing heart in you  
So I give you strength and courage  
And I'll hide you in my hand  
For Joshua, you gotta live for your call  
Take my people to their land

Chorus:  
So be strong and courageous  
So be strong and courageous  
You know you gotta be strong and courageous  
So be strong and courageous

Never should you fear my call  
Just listen and obey  
Discouragement need never fall  
Stand on the words I say  
You know I led your fathers here  
And you know I'll lead you too  
Inscribe my law into your soul  
And nothing will touch you
