Words:deborah d. smith Music: michael w. smith

My servant, now your time has come You have a job to do I have a people to be led And a willing heart in you So I give you strength and courage And I'll hide you in my hand For joshua, you gotta live for your call Take my people to their land Chorus:

So be strong and courageous So be strong and courageous

You know you gotta be strong and courageous So be strong and courageous

Never should you fear my call Just listen and obey Discouragement need never fall Stand on the words I say You know I led your fathers here And you know I'll lead you too Inscribe my law into your soul And nothing will touch you.

Chorus
