

# Michael W. Smith, I Wanna Tell The World

I saw you, and you saw me  
And I didn't even know your name  
Just one look  
That was all it took  
And I knew I'd never be the same  
If walking on air compares to what I feel  
Then how can I keep it sealed, when...

I wanna tell the world  
If the smile on my face  
Hasn't given me away already  
I wanna tell the world  
There ain't no way to hide it  
Your love has got me flying high

Since the day that you looked my way  
I knew we were meant to be together  
Now I thank the Lord  
For a love like yours  
'Cause I know it's gonna last forever  
It's hard to believe my dreams have all come true  
And I'm so in love with you that...

I wanna tell the world  
If the smile on my face  
Hasn't given me away already  
I wanna tell the world  
There ain't no way to hide it  
Your love has got me flying high

I just want the world to know  
Love has got me good to go  
I have got to get it out  
She is all I think about  
It's something that I need to say  
Love has overtaken me

I wanna tell the world  
If the smile on my face  
Hasn't given me away already  
I wanna tell the world  
There ain't no way to hide it  
Your love has got me flying high
