## Michael W. Smith, The Last Letter

Sitting alone up in your empty room
In the stillness of the night
Where all the many dreams that used
to carry you
Are no longer in sight
You put your feelings down in black
and white
A sad,disturbing reply
That you don't really want to face
another night
So you're saying goodbye
But did you know that you're saying
goodbye
to a lifetime

## (CHORUS)

Well I've got to tell you there's another way to be free-to be complete But you've got to make it thru another day And deny you're own defeat (don't give in) And I'm here to tell you there's another way To comsume a hungry heart All the love you need is just a prayer away Let him in to where you are

You've made it to the edge of seventeen Thinking now you've reached the end of the line But there's so much of life that you have never seen Now you won't have the time You say that you don't hear the music play So your ready to give up the dance Now that nothing really matters anyway Oh, you give up your chance But do you know that you give up vour chance At a lifetime

## (CHORUS)

Well I've got to tell you there's another way to be free-to be complete But you've got to make it thru another day And deny you're own defeat (don't give in) And I'm here to tell you there's another way To comsume a hungry heart Jesus is just a prayer away Let him in to where you are
