

Michał Rudaś, I Don't Wanna Wait

You're the one I've been looking for so long
Now I can feel inside that I have found
And every minute spent in your light
Tells me to leave my old life behind
I don't wanna wait, I don't wanna wait

Your eyes upon me, I'm in a trap
Your beauty's power won't let me stop
I don't wanna wait, I don't wanna wait
My impatience is gonna explode
Cause you babe put me into taste mode
I don't wanna wait, I don't wanna wait

I never thought that moment would ever come
To feel your kisses touching my body-mind
Desire for you is heating me up
Neither water nor ice will let it all stop
I don't wanna wait, I don't wanna wait

Your eyes upon me, I'm in a trap
Your beauty's power won't let me stop
I don't wanna wait, I don't wanna wait
My impatience is gonna explode
Cause you babe put me into taste mode
I don't wanna wait, I don't wanna wait

bridge : I'm walking on a wire leading to your very heart
Though my feet touch the fire, nothing's gonna turn me back
I run to you, you guide me with your tempting light
I run so fast to you, you're waiting there with open arms

Your eyes upon me, I'm in a trap
Your beauty's power won't let me stop
I don't wanna wait, I don't wanna wait
My impatience's gonna explode
Cause you babe put me into taste mode
I don't wanna wait, I don't wanna wait
