

Michał Szpak, Bondage

Struggling is not the way
I wanna find my days
Pure and kind
Even it is not your light
Such electricity when I come inside
But there's some stress, create this mess

Why do you leave?
Why do you leave my heart?
Why do you leave?
Why do you leave my heart?

All this time you wedged my heart
My recognizing hand
But his oblivious brain
So sorry, but now I'm so done
I wanna hold your hand
You wanna find escape

Well, so now you're here
Looking so wonderful
We could live side by side
But we both know
Not this time

Why do you leave?
Why do you leave my heart?
Why do you leave?
Why do you leave my heart?

All this time you wedged my heart
My recognizing hand
But his oblivious brain
So sorry, but now I'm so done
I wanna hold your hand
You wanna find escape

All this time you wedged my heart
So sorry, but now I'm so done
I'm so done
