

Michelle Branch, About Love

I'm here for you 24-7
And above us is heaven
But I'm thinking
And sinking

C:Because I'm here
And near
But everything I thought about love (x3)
Was wrong

Do you feel the same for me?
Well I'm gonna wait and see
And I believe
With relieve

C:

Because, everything
Everything
Everything I thought about love
Everything that came from above
Everything I thought, was wrong

C:x2

Was wrong
