

Michelle Branch, Find Your Way Back

i used to get away so much
now i can't get away
i even thought that it was simple
to say the things i wanted to say

and you told me
everything i wanted to hear
and you sold me
now i don't know how i should feel
i should know me
and baby you would think i'd know better

i'm finding my way back to you
and everything i used to be
and waiting is all that i can do
until you find your way back to me

what if i said what i was thinking?
what if that says too much?
when everybody's got a reason
i feel like giving up

and you told me
everything i wanted to hear
and you sold me
now i don't know how i should feel
i should know me
and baby you would think i'd know better

i'm finding my way back to you
and everything i used to be
and waiting is all that i can do
until you find your way back to me

until you find your way back to me (x 2)

i used to get away so much

i'm finding my way back to you
and everything i used to be
and waiting is all that i can do
until you find your way back to me

and waiting is all that i can do
until you find your way back to me

i used to get away so much
