

Michelle Branch, Go Team Go

I know it..and I like it..that you thought of me somehow, and I am trying to get out. So I want it..and I need it..when you know about my future, and I know about yours.

Chorus: 'Cause if you ever tried..I'm gonna be with you tonight. And I know (and I know).. that you never believed me. When you are not around (when you are not around), I'm gonna be the best girl ever had in your life. And go team go, I'm gonna cheer for you.

When it's dark out..and it's nighttime,..and I'm driving my car and you are a star (oooooooooooooooooh).
When I see you (when I see you)..
and you see me, (and you see me),..I am lost (I am lost)
I will never see you.

(ooooooooh)

Chorus:'Cause if you never tried.. oh, i'm gonna be with you tonight. (baby)
And I know (And I know)..that you never believed me.
Oh, and if you're not around (and if you're not around),
I'm gonna be the best girl ever have in your life. And
go team go (ooh) I'm gonna cheer for you.

When Shego and her family are always being nice to me I never thought of that. And Drakken is the evil one I know my life has just begun (yeeaaah).

Chorus: And if you never tried (oh yeah) I'm gonna be with you tonight. And I know (And I know) that you never believed me. (yeah)
If you are not around (If you are not around), I'm gonna be the best girl ever had in your life. And go team go, I'm gonna cheer for you.

And go team go, I'm gonna cheer..for..yooooou.
