

Michelle Branch, If Only She Knew (Slow Version)

I dont know whos side Im taking,
But Im not taking things too well.
I cant see inside you aching,
Is it too early for me to tell?

(CHROUS)

I tried to help you out through the hardest of times,
your heart is in your throat and Im speaking my mind,
It looks as if its over,
Im still not over you.
If only she knew.

I tried to let it go,
but I dont know if I can take it,
The way that you look at me,
made me see that I cant really fake it.

(CHORUS)

I know she loves you and I cant interfere,
So I just have to sit back and watch my world disappear

(CHROUS)
