

Michelle Branch, If She Only Knew

Words and music by michelle branch

I don't know whose side I'm takin',
But I'm not takin' things to well,
I can see inside you're ache'n,
But is it still too early for me to tell.

I try to help you out through the hardest of times,
Your heart is in your throat,
And I'm speaking my mind,
Though it looks as if it's over,
I'm still not over you,
If only she knew.

I try to let it go
But I don't know if I can take it,
Cause the way you looked at me made me see
That I can't really fake it.

I try to help you out through the hardest of times,
Your heart is in your throat,
And I'm speaking my mind,
Though it looks as if it's over,
I'm still not over you,
If only she knew.

I know she loves you and I can't interfere,
So I'll just have to sit back and watch my world disappear.

I try to help you out through the hardest of times,
Your heart is in your throat,
And I'm speaking my mind,
Though it looks as if it's over,
I'm still not over you,
Oh I'm still not over you,
If only she knew.
