

Michelle Branch, Til I Get Over You

Every time I feel alone
I can blame it on you
And I do
You got me like a loaded gun
Golden sun
And the sky's so blue
We both know
That we want it
But we both know
You left me no choice
[Chaque fois que tu t'en vas]
You just bring me down
[Je pretends que tout va bien]
So I'm count my tears
Till I get over you
Sometimes I watch the world go by
I wonder what it is like
To wake up every single day
Smile on your face
You never try
We both know
We can't change it
But we both now
We'll just have to face it
Chaque fois que tu t'en vas
You just bring me down
Je pretends que tout va bien
So I'm counting my tears
Till I get over you
If only I
Could give you up
Would I want to let you off
Of this soapbox baby
We both know
That we want it
But we both know
You left me no choice
Chaque fois que tu t'en vas
You just bring me down
Je pretends que tout va bien
So I'm counting my tears
Till I get over you.... oh
Chaque fois que tu t'en vas
Je pretends que tout va bien
We both know
That I'm not over you
I'm not over you
