

Michelle Branch, You Get What You Give

gonna blow it, gonna blow it, gonna blow it, gonna blow it,
gonna one, two, one, two, three ow!

Wake up kids
We've got the dreamers disease
Age 14 we got you down on your knees
So polite, we're busy still saying please
Friend-emies, who when you're down ain't your friend
Every night we smash their Mercedes-Benz
First we run and then we laugh till we cry

But when the night is falling
and you cannot find the light
If you feel your dreams are dying
Hold tight

Chorus:
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget we only get what we give

I'm could home babe your touch
give it to me now...

Four a.m. we ran a miracle mile
we're flat broke but hey! we do it in style
The bad rich
God's flying in for your trial

But when the night is falling
you cannot find a friend (friend)
If you feel your tree is breakin'
Just then

Chorus:
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget we only get what we give

This whole damn world can fall apart
You'll be ok follow your heart
You're in harms way
I'm right behind
Now say youre mine

Chorus:
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live

Can't forget we only get what we give

(don't let go)
I feel the music in you... oh oh

Fly high
What's real can't die
You're only get what you give
You're gonna get what you give
Just don't be affraid to live

Health insurance rip off lying FDA big bankers buying
Fake computer crashes dining
Cloning while they're multiplying

Fashion shoots
with Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes
Run to your mansions
Come around
We'll kick your ass in!

don't let go
one dance lef
don't give up
can't forget
don't wake up

who who who who who who who

who who who who who who who
who who who who who who who
who who who who who who who
who who who who who who who
