

# Michelle Branch, You Hold My Heart

Do you believe in love at first sight  
I know it is true now 'cause it happened that night  
But now you, slip away  
Don't believe me, when I say  
When you hold my hand you hold my heart  
But lately we still drift apart  
When I say I love you I mean it  
When I say I love you I mean it  
I mean it  
Do you believe that we're meant to be  
I know it's true now but you just don't see  
'cause now, you get scared  
Don't believe me, but it's there  
When you hold my hand you hold my heart  
But lately we still drift apart  
When I say I love you I mean it  
When I say I love you I mean it  
I mean it  
Please believe me when I say  
I'll love you till the end  
forever and a day  
When you hold my hand you hold my heart  
But lately we still drift apart  
When I say I love you I mean it  
When I say I love you I mean it  
I mean it  
I mean it
