

Michelle Williams, Rock With Me

I lay in zion, a foundation, a stone.
I lay in zion, a foundation, a stone.
A tried stone, a precious cornerstone.
A sure foundation. A sure foundation.
A tried stone, a precious cornerstone.
He that believeth, shall not make haste.

There's a place we can run and hide.
A mighty fortress all day and night.
There's no reason to ever be frightened.
Cause he's standing; a strong Tower.

Jesus is the rock in a weary land.
If you really really love Him won't you wave your
hands.
If you begin think about how he's blessin' then you
will rock with me. (rock with me.)

Didn't he wonder, yeah uh huh, I know he did.
Cause he's got a reputation-Him we can depend.
Reminiscent on the way that he's been blessin
everybody.
Rock with me. Rock with me.

He's the rock of ages, he's been there for me.
Everything He said can't win ever at me.
This rock is a shelter in the toughest storm.
That's why I'm leaning on the side of everlasting arms.
(Jesus is a rock)

Jesus is the rock in a weary land.
If you really really love Him won't you wave your
hands.
If you begin think about how he's blessin' then you
will rock with me. (rock with me.)

Didn't he wonder, yeah uh huh, I know he did.
Cause he's got a reputation-Him we can depend.
Reminiscent on the way that he's been blessin
everybody.
Rock with me. Rock with me.

Everybody rock wit me , rock wit me, come on rock wit me.

Come On. Come On . Come On.
He a cornerstone, on Christ the solid rock we stand.
JESUS IS THE ROCK.
He a cornerstone, on Christ the solid rock we stand.
JESUS IS THE ROCK.

Everbody rock wit me , rock wit me, come on rock wit
me.
Everbody rock wit me , rock wit me, come on rock wit
me. (we rockin wit you, we rockin wit you,)

Jesus is the rock in a weary land.
If you really really love Him won't you wave your
hands.
If you begin think about how he's blessin' then you
will rock with me. (rock with me.)

Didn't he wonder, yeah uh huh, I know he did.
Cause he's got a reputation-Him we can depend.
Reminiscent on the way that he's been blessin

everybody.
Rock with me. Rock with me.

Jesus is the rock in a weary land.
If you really really love Him won't you wave your
hands.
If you begin think about how he's blessin' then you
will rock with me. (rock with me.)

Didn't he wonder, yeah uh huh, I know he did.
Cause he's got a reputation-Him we can depend.
Reminiscent on the way that he's been blessin
everybody.

Jesus is the rock in a weary land.
If you really really love Him won't you wave your
hands.
If you begin think about how he's blessin' then you
will rock with me. (rock with me.)

Rock with me. Rock with me. (plus addition ad libs)
