

Michelle Wright, I Will Be There

Sometimes you worry about the future of your and my life
And what the days may hold farther down the line
But you can rest assured that things will be just fine
Baby take a look at me

CHORUS:

I will be there to hold onto
I will be there to love you
I will be there 'til my dying day
Every step of the way I swear
I will be there

I know, it's hard to understand the way the wind blows
And I know things will change but baby can't you see
I'm in love with you and that will always be
Never lose your faith in me

CHORUS

Baby you can see
I'm in love with you and that will always be
Forever and ever

CHORUS

I will be there
'Til my dying day
My love will stay with you all the way
I will be there
